

FIGHTING BURGLARY

You decided to spend your holidays on the French Riviera and you are right. The sun, the sea and the mountain at hand, what better!
We wish you a pleasant stay.

But unfortunately idyllic framework is attracting envious. so as not to spoil your stay, it is worth recalling some prevention tips:

- You are away:
 - Close and lock all exits
 - Connect the alarm if the housing has
- You are moving vehicle!
 - Close and lock your vehicle when parking
 - Prevent yourself from the routine
 - Do not leave wallets or purses in full view of passers and scope
- You relax in the garden!
 - Close and lock the access gate and lock your vehicles with the key as well
 - Store your values, keys, expensive equipment, handbags, and wallets away from the doors (safe housing if fitted)
 - If you are present on the outside, close and lock the exits, left unattended; just keep a door open.
- If you rest !
 - Make sure exits are closed and the active alarm
- You are a victim of burglary: do not go in the house, do not touch anything and call 17 or 122. wait for the arrival of the police.
